

Technical drawing of the DUSS-Terminal layout. The drawing shows a long terminal building with a central section labeled "DUSS-Terminal" and "DB". The terminal is flanked by two large cranes. The layout includes several tracks (Gleis 201, 202, 203, 204) and loading/unloading areas (Abstellplatz, Ladespur, Fahrspur, Rückfahrspur). The drawing also shows the main circular track (Hauptachse Wendekreis-Kreis 501S) and the main circular track (Hauptachse Wendekreis-Kreis 501S). The drawing is a detailed plan view showing the terminal's infrastructure, including tracks, loading areas, and cranes.
