

Bauzeitenplan
469 Hagen_Bauzeitenplan_250901

This Gantt chart provides a comprehensive overview of the project's timeline and resource allocation. The chart is organized into several main sections:

- ROHBAU + FASSADE:** This section covers the initial phases of the project, including Rohbau Neubau, Fenster Neubau, Metallbau Gitterböden, Elektro Installationen, and various structural and facade-related tasks.
- AUSSENRAUM ARBEITEN:** This section includes tasks such as Tiefbau Gründung Terrasse, Fertigbetonsteile Terrasse, Tiefbau Straßenseite, Tiefbau Rigole+Tank, Rohbau Aufzug Hof, and Aufzugsanlage Außen.
- GESCHOSSEWEITERUNG + DACH:** This section focuses on the expansion of the building's footprint, involving Dachdecker Flachdach untere Abdichtung, HSL Dachdurchdringungen, and Belagsarbeiten Treppenstufen.
- INNENAUSBAU KITA:** This section covers the interior construction of the Kindergarten, including Elektro vorrichten schlitzen, HSL vorrichten schlitzen, Putzarbeiten (Feinputz), Trockenbauwände Kita, Installationen ELT HSL Wände+Böden, Schallschutzdecke 1.0G, Bodenausgleichsschicht, Fußbodenheizung, Trockenestrich, Rasterdecken WC, Malarbeiten, Fliesen, and Bodenbelag.
- INNENAUSBAU VERWALTUNG:** This section covers the interior construction of the administration area, including similar tasks to the KITA section, such as Elektro vorrichten schlitzen, HSL vorrichten schlitzen, Putzarbeiten (Feinputz), Trockenbauwände, Installationen ELT HSL Wände+Böden, Bodenausgleichsschicht, Fußbodenheizung, Trockenestrich, Rasterdecken WC, Malarbeiten, Fliesen, and Bodenbelag.

The chart uses a color-coded system for tasks, with blue representing structural work, orange for electrical and HVAC, red for painting, green for tiling, and purple for other finishes. Horizontal bars indicate task duration, and vertical dashed lines mark specific dates. Arrows between tasks show dependencies, often starting with a diamond symbol indicating a predecessor task.
