

This technical drawing shows a terrain cross-section. At the top, a building with two arched openings is shown. Below the building, a green hatched area represents a slope. A red line with points A and B is drawn across the slope. Point A is at the top right, and point B is at the bottom left. A staircase, labeled 'Treppe', is shown in the lower part of the drawing, with a red line connecting points A and B. The drawing includes various elevation points: 534.25, 537.49, 534.21, 536.86, 534.42, 534.29, 534.74, 535.18, 536.45, 536.30, and 536.20. The drawing is labeled 'Handlauf' and 'Handlauf' at the top right and bottom right respectively. The drawing is also labeled 'A' and 'B' at the top right and bottom left respectively. The drawing is labeled 'Treppe' in the center. The drawing is labeled 'Handlauf' at the top right and bottom right. The drawing is labeled 'A' and 'B' at the top right and bottom left. The drawing is labeled '534.25', '537.49', '534.21', '536.86', '534.42', '534.29', '534.74', '535.18', '536.45', '536.30', and '536.20' at various points. The drawing is labeled 'Handlauf' at the top right and bottom right. The drawing is labeled 'A' and 'B' at the top right and bottom left. The drawing is labeled 'Treppe' in the center.

Technical drawing of a staircase with a handrail, showing dimensions and construction details. The drawing includes the following elements:

- Staircase:** A staircase with a total width of 55. The steps are shown in profile with a height of 16 and a depth of 30. The total height of the staircase is 2.98, and the total width is 5.25.
- Handrail:** A handrail with a total length of 1.30. It is supported by three vertical posts. The handrail has a radius of 5 at the ends and a height of 88 from the ground level.
- Dimensions:**
 - Horizontal dimensions: 30, 1.20, 1.15, 30, 10, 20, 90, 20, 30, 40, 25.
 - Vertical dimensions: 55, 13.5, 2.29, 88, 41.5, 60, 25.
 - Angles: 5.76°, 15°, 4.88°.
- Labels:** "Leerrohr" (empty pipe) is labeled on the left side of the staircase.
