

The technical drawing consists of two main parts: a plan view at the top and a side elevation at the bottom.

Plan View (Top):

- Dimensions:** Horizontal dimensions from left to right are 1.04, 1.22, 64, 90, and 1.15. Vertical dimensions from top to bottom are 1.15, 64, 4.06, 2.10, 2.00, 0.15, 0.18, 2.90, +4.05, and UKRO.
- Labels:** "UK Abhängigecke" is labeled near the center-right. "OKRO" is labeled at the bottom right corner.
- Features:** A central rectangular area contains a cross symbol (+). A red rectangle is outlined on the right side.

Side Elevation (Bottom):

- Dimensions:** Horizontal dimensions from left to right are 12.5, 1.33, 2.26, 4.82, 2.20, 1.22, and 92. Vertical dimensions from top to bottom are 1.15, 64, 4.06, 2.10, 2.00, 0.15, 0.18, 2.90, +4.05, and UKRO.
- Labels:** "Architekt" is labeled at the top left and top right. "ML MED" is labeled below the horizontal dimension line.
- Features:** A vertical dashed line is shown on the left side.
