

This architectural drawing is a detailed section of a staircase, showing the structural elements and construction details. The drawing includes the following components:

- Staircase Structure:** The main staircase is shown with its steps and landings. The steps are labeled with dimensions such as 16.7" cm / 29.5 cm. The landings are labeled with dimensions such as 1.10 m and 1.82 m.
- Structural Details:** The drawing shows the structural details of the staircase, including the concrete slabs, walls, and stairs. The details are labeled with numbers such as 01, 02, 03, 04, 05, 06, 07, 10, 11, 12, and 13.
- Dimensions and Annotations:** The drawing includes numerous dimensions and annotations. Key dimensions include:
 - Overall width: 4.91 m (Länge Fertigteil FT 1.10 / 2.10)
 - Overall height: 4.52 m
 - Stair width: 1.10 m
 - Stair depth: 1.82 m
 - Stair rise: 16.7" cm / 29.5 cm
 - Stair run: 16.7" cm / 29.5 cm
- Material and Construction Notes:** The drawing includes notes on the materials and construction, such as "Schichtbetonqualität" (layer concrete quality) and "Bemaßung UK Fertigteil" (dimensioning of precast concrete).
- Orientation and Section Line:** The drawing is oriented with a north arrow pointing upwards. The section line is labeled "B" at the top and bottom.
