

## Information in English

The Procurement Office of the Federal Ministry of the Interior (Procurement Office), as the largest civilian procurement agency of the Federal Government, is the central supplier to the public administration in Germany.

According to Section 23 (1) Verwaltungsverfahrensgesetz (Administrative Procedure Act), the official communication has to be in German. Hence, in order to be able to submit a valid tender, you must submit documents, records and declarations, as well as to conduct your correspondence with the Procurement Office in German.

In order to submit a legally compliant offer, we would ask you to use common translation tools for translation.

Please consult and use the German official and legally binding documents under the applicable call for tender on <https://www.evergabe-online.de>.
