

[illegible][illegible]

Technical drawing of a ventilation system layout for a room. The drawing shows two red fans (TWR 4360) mounted on the wall, connected to a central duct system. The duct system includes a horizontal duct with two vertical branches leading to the fans. The fans are labeled "TWR 4360" and "OKFF -2,56". The duct system is labeled "Entlüftung TWR". The drawing also shows a door (Tur 900) and a window (DB 400). Dimensions are given for the duct system: 921, 1414, 925, and 150. The drawing is a top-down view of the room.

Hinweis:
Da die Aufzugsschächte zum Zeitpunkt der Planaktualisierung bereits hergestellt waren, sind Ersatzmaßnahmen erforderlich, um eine Anpassung an die vorhandenen Abmessungen zu gewährleisten.
