Questions

Please raise any commercial, technical or procedural questions promptly, and no later than the deadline for submission of queries specified on GIZ's e-procurement tender platform. Questions can only be submitted electronically, using GIZ's e-procurement tender platform. Non-compliance may result in your tender not being considered.

Sustainability

We have developed a Guide for Practicing Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GIZ. We invite you to go through GPS and obtain a participation certificate, which you can hand in with the proposal.

Participation in GPS does not influence the award decision in this procedure. However, we would very much welcome your taking part in GPS: <http://gps.giz.de/en>.

Our requirements for other procurement documents, which are listed in the annex below, also apply.

Yours sincerely,

Deutsche Gesellschaft für
Internationale Zusammenarbeit (GIZ) GmbH
