

Architectural drawing showing a detailed floor plan of a building, likely a school or institutional facility, with various rooms and corridors. The plan includes a legend, a scale bar, and a north arrow. The drawing is divided into several sections, each labeled with a number (16-23) and a letter (A-D). The plan shows a complex layout of rooms, including classrooms, a library, a cafeteria, and a gymnasium. The drawing is a technical representation of the building's interior space, showing the arrangement of walls, doors, and furniture. The legend provides information about the materials used in the construction, such as concrete, brick, and wood. The scale bar indicates the dimensions of the building in meters. The north arrow shows the orientation of the building. The drawing is a detailed and accurate representation of the building's interior space, showing the arrangement of walls, doors, and furniture. The legend provides information about the materials used in the construction, such as concrete, brick, and wood. The scale bar indicates the dimensions of the building in meters. The north arrow shows the orientation of the building. The drawing is a technical representation of the building's interior space, showing the arrangement of walls, doors, and furniture.
