

Technical drawing of a building's heating system, showing a plan view of the heating network. The drawing includes various components such as radiators, valves, and piping. Key labels include 'OG-HLS-LA-N01', 'OG-HLS-LA-N02', 'NEU 300/300', 'Wärmekreis 230W/500V, 0.14A', and 'RÖ NFE 6.0/6.7T'. The drawing is divided into sections numbered 1 through 8. A legend on the right side provides details about the system components and their specifications.

[illegible][illegible]

The drawing is a detailed technical floor plan of a building, specifically showing rooms 20 through 27. The plan is oriented with room 20 on the left and room 27 on the right. Each room is labeled with its number in large, bold, black text. The drawing includes architectural details such as walls, doors, windows, and furniture. It also features a complex network of pipes and conduits, with labels for various components like 'Druckluft' (compressed air), 'Wärmepumpe' (heat pump), and 'Kühlmittel' (coolant). The drawing is color-coded with red, blue, and green lines to indicate different systems. A legend on the right side of the drawing provides a key for the symbols used.
