

## Stand 03.12.2025 (Vorabzug)

The image displays two Gantt charts, one green and one yellow, representing project schedules across three years: 2026, 2027, and 2028. The top chart (green) shows a sequence of tasks starting in early 2026 and ending in early 2028. The bottom chart (yellow) shows a similar sequence of tasks starting in early 2026 and ending in early 2028. Both charts include a long horizontal bar at the top and bottom, respectively, indicating the overall project duration. The tasks are connected by arrows, showing a sequential flow. The top chart has a long horizontal bar at the top, while the bottom chart has a long horizontal bar at the bottom.
