

This architectural drawing presents a detailed floor plan of a building, likely a school or institutional facility, with a corresponding vertical section on the right side.

Floor Plan Details:

- Grid System:** The plan is defined by a horizontal grid labeled G, H, I, J, K, L, M, N and a vertical grid labeled 1 through 10.
- Rooms and Functions:**
 - Top Row (Rooms 1.01-1.26):** Includes a Drucker (Printer), Flur (Corridor), Pult (Desk), Seminarraum (Seminar Room), PC-Raum (PC Room), and a large Theatersaal (Theater Hall) with a stage and seating.
 - Middle Row (Rooms 0.01-0.29):** Includes a WC, Aufenthaltsraum Reinigungspersonal (Staff Restroom), Umkle Kabine D (Dressing Room), CNC Raum Trecker (CNC Machine Room), Programmieraum (Computer Room), and a large Theatersaal (Theater Hall) with a stage and seating.
 - Bottom Row (Rooms -1.01 to -1.20):** Includes a Druckkür (Printer), Lager (Storage), Sanitär (Sanitary), NSHV / ELT (Mechanical/Electrical/Lighting), IT / Server, Flur (Corridor), Side, Werkstatt RM (Workshop), and a large Lager (Storage) area.
- Staircases:** Multiple staircases are shown, including a large one in the center (Treppe 1 EG) and others in the corners (Treppe 1 OG, Treppe 1 EG, Treppe 1 EG).
- Section View (Right):** A vertical section labeled 'Schnitt' shows the building's profile, including the roof, walls, and floor levels. It includes a tree and a small building in the background.
- Dimensions and Levels:** Various dimensions and levels are indicated throughout the plan, such as room heights, wall thicknesses, and floor levels (e.g., +0.00, +0.15, +0.30).
