M 1:5

Figure 1 consists of two horizontal bar charts. The top chart is labeled 'MASSSTAB: SCALE: 1.5' and shows a distribution of values from 0 to 0.5 M. The bottom chart is labeled 'MASSSTAB: SCALE: 1.25' and shows a distribution of values from 0 to 2 M. Both charts have a horizontal axis labeled 'FEET' with tick marks at 0', 0.5', 1', and 2' for the top chart, and 0', 1', 2', 3', 4', 5', 6', 7', and 8' for the bottom chart. The bars represent the distribution of massstab values across these scales.
