

Teil 1

This technical drawing illustrates a road layout, likely for a construction project. The main road runs diagonally from the bottom left towards the top right. It features multiple lanes, with the central section marked 'K43'. Various side roads and paths are shown, including '2406/2', '2406/3', '2406/4', '2573/2', '2410/7', '2410/8', '2410/9', '2411', and '2134'. The drawing includes numerous technical annotations such as elevations (e.g., H=10000.00), distances (e.g., T=10.98, F=0.00), and labels like 'Paffenbusch' and 'Zufahrt/Trichter ausweichen'. The layout is divided into sections by dashed lines, and specific points are marked with circles and numbers. The overall design shows a complex network of roads and paths, with detailed specifications for each segment.

The drawing is a technical plan view of a road layout. It shows a road with a centerline and side lines, with various points marked by circles and numbers. The road is labeled 'Teil 1' and 'Teil 2'. The drawing includes labels for 'Teil 1' and 'Teil 2'. The drawing is a technical plan view of a road layout. It shows a road with a centerline and side lines, with various points marked by circles and numbers. The road is labeled 'Teil 1' and 'Teil 2'. The drawing includes labels for 'Teil 1' and 'Teil 2'.
